

## **Problems of Poor Attendance of Students in Senior Commerce Colleges in University of Mumbai**

\* Manoj Kumar Mishra

### *Abstract*

*A problem related to poor attendance of students is a major problem in most commerce colleges in University of Mumbai. So this is an attempt to find main reasons for absenteeism and students psychology behind this problem. The main reason for not attending a college lecture as given by students is the ineffective and boring lectures. An effective lecture of a particular teacher is the main reason to attend that particular lecture in the college.*

**Keywords:** Poor attendance, Absenteeism, Effective and ineffective lectures.
